## Find Your Paradise In A Resort Style Emerald Downs Haven...

Contemporary interiors and a location close to a wealth of amenities set an exceptionally high standard.

An open concept design creates flexible and ambient living spaces that invite the outdoors in. A covered outdoor patio, sunny terrace with seating arbour, inground pool and large pergola set within lush, low maintenance and private landscaped surrounds create a stunning backdrop to expansive interiors.

Thoughtful planning and detail incorporates ducted reverse cycle air conditioning, budget friendly solar hot water system, alarm system for peace of mind and a practical utilities ...
