## Ultimate Lifestyle - Deep Water Frontage

Superbly crafted to capture a stunning Hastings River outlook from indoor/outdoor living, the floor plan is a fusion of sophisticated entertaining zones and high calibre finishes spanning two levels.

Entry level and every vantage point provide surprise and delight. Entrance via a security gated portico ushers you into resort like surrounds where the lawned terrace and 15m lap pool are framed by lush landscaping.

A media room or study has rear yard access, while the luxuriously appointed formal dining boasts a storage room/cellar equipped with a second full size fridge.

Upstairs living accommodates a large family room, two bedrooms with built-ins and a luxe m...
