Love The Beach Lifestyle - Live the Dream

An inspired beachfront home conceived for relaxed coastal living captures ocean and lighthouse views...

This flawless residence offers sanctuary across three extraordinary levels delivering luxury and uncomplicated style.

Designed for indoor and outdoor living to frame an eye-catching aspect, east facing living areas are oriented towards the striking coastal bush and seascape, a north facing patio captures district views and the western outlook takes in a skywalk to your hidden garden.

Stone benchtops, wide plank timber-look luxury vinyl flooring, luxe carpets and reverse cy...
