Design & Detail Create Effortless Living

A level floor plan has easy flow and seamless integration of living and entertaining spaces within a generous footprint.

Interiors flow freely through to a sunlit covered alfresco patio within a private garden setting with a delightful north to rear aspect.

Open plan living incorporates an expansive Essastone kitchen that will thrill those with culinary flair. A vast island bench and abundant bench space, large walk-in pantry and full complement of Smeg appliances including gas cooktop and 800mm wall oven take a workspace from ordinary to outstanding.

Set at the rear, it enjoys great separation from two large bedrooms with built-ins service...

Price: Guide \$645,000 - \$665,000

Council Rates: \$2,480.00/year (approx)
