A Hidden Haven in a Class of Its Own

With delightful flow from indoors to out at the heart of its design, the clever floor plan and coveted north to rear aspect creates a chic, light filled haven.

Optimal use of space creates zones; Stylish Caesarstone and timber style finishes add a subtle W.O.W to a highly efficient kitchen with butler style pantry, gas cooktop and dishwasher. Incorporating a spacious dining area, it opens widely to outdoor entertaining. The home office is a multi purpose space, and the lounge opens onto the expansive elevated deck.

Price: Guide \$665,000 - \$685,000
