Quality Renovation - Brand New Everything!

Beautifully presented interiors are awarded the finest finishes but it's the attention to hidden detail we must draw attention to.

Fully rewired and re-plumbed, this gorgeous home has been fitted with everything from new drainage and waste pipes, piers and foundations, to new guttering, roof, eaves and fascia.

You'll fall in love with the polished timber floorboards throughout (most are original) and the pot belly stove that provides ambience on a cold winter's night and an alternative to the reverse cycle air conditioning.

Situated only a four minute drive from the heart of Port Macquarie's retail centre and waterfront, this beautifully renovated and much loved home is truly special. Custom gates to side and rear yard access, custom windows, plantation shutters and custom made mailbox are...
