## Crafted to Capture the Essence of Family Living

A triumph of design nestled on 730sqm, open plan living and outdoor entertaining share a beautiful treed panorama.

Backing onto a delightful natural corridor this stunning home was originally purposed as the builder's display home and is suitably appointed.

Designed to embrace the outlook, its vast proportions, vaulted ceilings, expanses of glass and skylights fill living spaces with light.

Offering a level of quality destined to impress the most discerning of tastes, this immense family residence is a haven of modern comfort.

A stunning stone kitchen with walk-in pantry, generous island bench, feature splashback a...
