## Coveted East Port Location - Stroll To Beaches & Walk To Town

Panoramic district outlooks are captured from the elevated front patio and light filled open plan living with stylish vinyl plank flooring. Incorporating a generous dining zone and spacious kitchen appointed with a dishwasher and new electric upright stove, this space flows easily through to a large covered entertaining patio.

Three bedrooms each have ceiling fans for year round comfort, while the master and study have patio access.

Downstairs, a double garage accesses a great size workshop that is perfect for home gym or storage.
