## Shelly Beach Location - Ocean Outlook

Showcasing stunning finishes and effortless living - its north facing aspect provided the inspiration for a tri-level design where vast interiors extend to expansive alfresco areas.

Multiple living zones are incorporated into a floor plan that flows freely.

The bedroom wing accommodates two bedrooms with shared ensuite and walk in robes, a study with built-ins and third bedroom with step-in storage serviced by a bathroom with deep designer tub its focal element.

The lower level provides a generous rumpus/games zone with storage room, custom cabinetry, access to a side lawned yard and outlook through to the adjoining reserve. Utilities by way of a laundry with separate toilet and internal access to the auto double garage are near...
