## Architect Designed Sanctuary Adjoining Reserve

Immersed in a picture perfect setting amongst landscaped surrounds, you'll love the seclusion of a home with soaring ceilings and light filled living...

The privacy and outlook across to Rosendahl Reserve from interiors and outdoor entertaining areas enhance lifestyle and ambience. A delightful pool terrace, covered deck and living areas share garden and reserve views, and set the tone for this architect designed home.

Expertly crafted with an emphasis on relaxed living, you'll appreciate the consideration given to every aspect of the design and detail.

Form and function intertwine to ensure every comfort is accommodated. Celestial windows flood open plan living with natural light - the northerly aspect capturing warmth in winter ...
