A Haven in the Hastings & Entertainer's Delight!

Set around a huge covered entertaining area and sun deck, the view from indoors extends through glass fencing to the azure waters of a sparkling inground pool.

Two vast living spaces are separated by the central Caesarstone kitchen. Equipped with electric benchtop cooking, under bench oven and dishwasher, the pièce de résistance is a fabulously furnished butler's pantry with large fridge cavity and abundant storage.

Both bathrooms have been fully renovated in contemporary styling and a muted colour palette for classic appeal, each servicing two accommodation wings.

A home that must be inspected to truly appreciate the scope of living spaces and features ...
