## Architectural Appeal in a Tranquil Hastings Precinct

A split level design appointed for architectural effect and beautifully renovated, its multiple indoor and outdoor living areas embody easy-living and are perfectly complemented by the leafy natural landscape of this tranquil cul de sac precinct.

A suite of features and quality finishes, including new carpets, enrich your surrounds and are further enhanced by the character of soaring raked ceilings and a sense of light filled, open spaces.

Accommodation incorporates two master bedrooms, each with walk-in robes and ensuites - the...
