The Perfect Combination of Quality & Design

This is indeed a stylish sanctuary that has been crafted for contemporary living with large indoor and outdoor living zones and a floor plan that optimises light, space and family entertaining.

A wide hallway flows through the center of the home and opens through to open plan living and the ultimate chef's kitchen that features stone bench tops with glass splash backs, a large stainless steel free standing oven and gas cook top, walk-in butler's pantry, dishwasher and island bench.

The separate media room or home cinema provides a private second lounge or 5th bedroom - whilst the other living zones combine seamlessly to provide excellent functionality.

The private master suite enjoys a generous application of space and finish where the lux feeling only continues with soft carpeting underfoot, a large walk-in robe and a magnificen...
