180 Degree Views of Ocean & Coastline

A dual aspect presides over breathtaking views north to Point Plomer, captures the magnificence of the Pacific Ocean to the east, and extends south encompassing the coastline. The outlook is simply sensational.

Elevation takes in amazing panoramas embracing a portion of the CBD and the precincts of East Port, Flynn's and Shelly Beaches. To the south, district views of Lighthouse Beach complete the most remarkable of vistas.

Set on 1,042sqm, with off-street parking pad and additional side access, this exceptional home is just minutes from beaches, schools, local cafes, restaurants, shopping, and the CBD.

Renovations have catered to contemporary comforts with an approved DA to extend further. Floating bamboo flooring, stone benchtops and timeless bathrooms are luxe enhancements to a...
