A Wonderful In Town Location

Beautifully cared for both inside and out simply means move your furniture in, put on the kettle and enjoy life.

Two very spacious bedrooms with ceiling fans, the main with large robe and ensuite bathroom. The lounge room and dining area provides a generously sized open plan living space. The kitchen is filled with tons of natural light, has ample bench space, plenty of cupboards plus a dishwasher. The reverse cycle air conditioning is a great inclusion. The garage with auto door is easy to access and has internal access.

A short walk to local shopping with a bus stop almost at your front door.
