Luxury North to Rear 30 Metre River Frontage

Imagine your dream home for a moment. You have been looking for a while and know exactly what you want. It absolutely must be on the waterfront with no exceptions! Space and privacy are paramount. Your new home must be special; a home that is going to make beautiful memories for years to come. A home where your family and friends love to visit because it's your very own tranquil retreat.

Showcasing unrestricted waterfront views, this prestige riverfront estate is set over two titles, offering over 1800sqm of land and 30 metres of the most desired North to rear aspect - one of the biggest parcels of waterfront estate in Port Macquarie.

180 degree views of absolute deep river frontage. The locals refer to this street as "the golden mile", and that's because the Hastings River is right on the door step. You'll be in awe at the ever changing scenery and blue river sparkle. Dolphins, birdlife and sailing ...
