One of the only properties in the district which has such a premium position on the river's edge. If you enjoy waterfront living, fishing or boating, then this property is indeed for you. Plus from this tidal position on Stewarts River you can launch your vessel via the paved boat ramp and navigate to Watson Taylors Lake and the Camden Haven River system, and beyond to the Pacific Ocean.

The home enjoys outstanding direct water views from the living areas and main bedroom. The internal living spaces include a lounge and dining area, separate media room plus a huge family room with vaulted ceilings with floor to ceiling glass overlooking the river below. A beautifully presented kitchen which itself has water views includes stone bench tops and quality appliances with plenty of cupboard space and a walk-in pantry.
