3

4.3 Acres with Kings Creek Frontage & Separate Cottage

Set on 1.742 ha, the vista from both the homestead and adjoining cottage extends across the rolling mown paddock to the creek line and hinterland beyond.

Bask in the beauty of the location from the pool and spa deck where a fall away edge creates an uninhibited and panoramic outlook.

Nestled within one of the most prized King Creek precincts, you'll find an idyllic slice of tranquillity perfect for horses or hobby farm enterprise.

Walk through double doors to an expansive living zone where the light filled family room e...
