## Wide Ocean Views - Stunning Contemporary Home in Lighthouse Beach

Soaring ceilings, expanses of glass and multiple living areas combine to create a stunning family residence where upper level living captures a spectacular ocean outlook, and the lower level draws focus to the pool with water feature set within tropical garden surrounds.

Luxury and space are all addressed with careful consideration and the interior design is masterfully planned for modern living and an entertainer's lifestyle.

Upstairs, wide ocean views are enjoyed from the family room and a large covered balcony shared by the master suite. Appointed with a walk-in robe/dressing room and two way ensuite with separate toilet, the upper floor could be retained as a parental retreat, utilising t...
