

293-329 John Oxley Drive Port Macquarie, NSW

10 6 20

Entire Development Site - 'Timberline' Subdivision

A land holding dating back to the 1880s, this tree lined subdivision has been a labour of love for the past 30 years. Construction and practical commencement have begun. The current owners have humbly decided to pass this project on, as it's time for them to enjoy family and the finer things in life.

Positioned amongst some of Port Macquarie's best infrastructure - just 10 minutes' drive to the CBD, three minutes' drive to the hospital and a stone's throw away from retail facilities. This is an opportunity to prosper in one of Australia's fastest growing coastal towns.

293 John Oxley Drive

Award winning, this grand residence comprises five bedrooms, high ceilings and parquet flooring, a six car garage with workshop and additional 18m x 12.3m shed, purpose-built off...
