Family Entertainer Minutes from Lighthouse Beach - Side Access

Combining effortless livability with spacious dimension, this family home makes the most of a sun-drenched setting.

The flowing layout is as functional as it is designed for comfort with a floor plan perfectly zoned for families.

The fluid design with two living areas plus office includes a spacious lounge room and generous open plan living zone incorporating dining and family room with access to an expansive, covered wrap-around deck.

The master suite offers a walk-in robe and contemporary ensuite.

Family accommodation, with the convenience of built-in robes and ceiling fans for seasonal...
