The Lake House

This home enjoys a north facing rear aspect overlooking a reserve and Mirror Bay, which forms part of the Camden Haven River system.

With only 30 metres separating you from the water's edge, you have access to over 30km of navigable waterways which lead to the Pacific Ocean or into the hinterland of the Camden Haven.

The reserve at the rear also provides direct access to the renowned Queens Lake walking trail.

If you enjoy kayaking, canoeing, water sports, fishing or boating, then this property should be on your 'must inspect' list.

The spacious four bedroom, two bathroom home offers plenty of space for a family and guests. Three of the bedrooms are large with the fourth being ideal as an office or single bedr...
