Secluded Home on Lifestyle Acreage (2.2 ha / 5.43 acres)

The colonial styled Western Red Cedar home features wide verandahs on all sides. Living spaces are substantial with a large open plan lounge and dining area kept comfortable throughout the cooler months by a slow combustion wood fireplace. The internal living spaces open to a large screened entertainment area overlooking the property's above ground pool and beyond to North Brother Mountain.

All bedrooms are large, with the main bedroom featuring a walk-in robe. All are serviced by the home's master bathroom. The kitchen features solid timber bench tops and cabinetry with plenty of storage including a walk-in pantry.

Detached from the main residence is a large, fully enclosed shed with a bathroom - ideal for extra accommodation. In addition, a large carport provides undercover parking for another...
