Private Lighthouse Beach Oasis with Lifestyle Appeal

Upon entry you are welcomed by an oasis of lush green resort style gardens setting the scene for what is to follow. Step indoors to the timeless beauty of fresh white with palm beach timber look flooring complemented by an eye catching coastal beaded pendant light. A soaring void ceiling coupled with a stairwell picture window allows natural light to radiate throughout.

The backyard has been transformed into a place where you can unwind and have fun with friends and family. Your own private oasis features a magnesium inground swimming pool and huge timber deck entertaining area with a cozy wood fireplace, rustic style bar and BBQ area with sink and built-in seating. Lush lawn and established tropical gardens complete the pi...
