Contemporary Class Meets Everyday Comfort

With a seamless blend of indoor/outdoor living, this home reveals contemporary functionality and versatile light-filled spaces.

Spaciously proportioned and embodying everything families or retirees crave, this level living floor plan has been designed for a premium lifestyle.

A sanctuary that meets the highest of standards, it offers the very best elements of modern living with functional features and finishes. A lounge/media room is separate to open-plan living where abundant natural light further enhances a sense of space.

Budget efficient solar hot water and reverse cycle air conditioning are value-adding addit...

Price: Guide \$800,000-\$875,000
