## Character Laden Hastings Home in Garden Oasis - Parking for Van or Boat

Not evident from the street, but set within a garden paradise, this tastefully finished home with contemporary kitchen and bathrooms is the perfect mix of a modern aesthetic with organic spaces. There's just so much to love?

Timber-lined exposed raked beam ceilings, and polished timber floors are used to stunning effect throughout multiple living spaces where sliding glass doors invite the outdoors in and create a seamless transition from indoors to outdoors.

A split level design, two bedrooms and a study are serviced by a renovated bathroom and separate toilet, while the master enjoys additional privacy on its own floor, with exposed t...
