## Private Shelly Beach Haven & Family Entertainer

Its tranquil setting is in harmony with nature and affords a blissful sheltered outlook from its breezy interiors. Established landscaping provides an added dimension to privacy, as does reserve on the rear boundary.

The five bedroom residence features a choice of living spaces ideal for family living, plus seamless indoor and outdoor integration for effortless entertaining.

This peaceful sanctuary is a dual level design providing separation to living and accommodation.

Upper level living enjoys a floor plan with easy flow between the lounge, separate dining zone and the family room with casual meals. Each has access to an entertaining deck with v...
