Functional Family Floorplan In A Popular Position!

Separated living caters to formal and informal areas in which to enjoy your down time. A formal lounge enjoys a sunny aspect, while the tiled family room opens out to a covered entertaining patio overlooking a child and pet friendly rear yard. The stylish modern kitchen is finished in a neutral palette with all of today's essentials incorporated; a large fridge cavity, bench top electric cooking, wall oven, dishwasher and great storage.

Added features include ducted air conditioning for all year round comfort, auto remote double garage and side access is an added bonus with this property. Be quick to inspect!

Price: \$650 per week
